PREFACE

Firstly, I would like to thank ALLAH ALMIGHTY for giving me the audacity, sanctioning me with acquaintance and confidence to fulfill this task. Than I owe my deepest and profound gratitude to my project advisor, Barbara Szymoniuk, PhD(Eng.), Eko Handayanto, Drs., MM, Ratih Juliati, Dra., M.Si, and Widayat, Dr. MM, who shepherded me through the bulk of work with their sage guidance and shrewd cooperation. My wonderful parents, my lovely brothers, my loving family members, and heartening friends are mentioned last to emphasize the special nature of their tremendous encouragement, support and patience all through my journey.

This thesis is made as a completion of the bachelore degree in Management. I am truly grateful for this rare chance to held a collaboration research at University of Muhmmadiyah Malang in Indonesia and Lublin University of Technology in Poland. It was absolutely an incredible experience.

Several persons have contributed academically, practically and with support to this bachelor degree thesis. I would therefore firstly like to thank to, Ms. Julia Kubaj as the staff from International Relations Office at Lublin University of Technology in Poland, Ms. Anik Rumijati and Mr. Arif from BIPA who helped me in the process of spreading the questionnaire, as well as all the international students who are willing to help in fill in the survey. Their help obviously means a lot to me.

Finally I would like to thank anyone whose name I can't mentioned one by one. Thank you for being helpful and supportive during my time at the University.
